PREMIUM WINES

NIGIRO TEA SELECTION

FOUR DIRECTIONS

Spearmint / Lemongrass / Moringa / Buchu. Harmonious spicy notes of moringa and buchu blended with sweet Egyptian spearmint and when topped with touches of grassy citrus notes from the lemongrass, the exact destination where the North and South of Africa meet is unveiled. True sensations of pure grassy, citrusy and subtle spiciness kick in.

PEACH GREEN

Sencha green tea flavoured with peach and roses.

TENDER MINT

Rooibos delicately merges with spearmint and peppermint leaves to offer the best refreshing and soothing choice. Subtleness of mints perfectly mixed with caramel rooibos is a truly memorable cup.

FOREST BERRIES

Blueberries, raspberries, blackberries, strawberries, apple and hibiscus. Powerful fruitiness shine through each sip.

VANILLA COCO ROSE HONEYBUSH

Creamy honeybush flavoured with vanilla and roses. Ethiopian cocoa husks are added to further encourage the woody and sweet notes of vanilla.

EARL GREY BLUE FLOWER

The original Earl Grey tea was named after Charles, the Second Earl Grey in the 18th century. This tea is based on a Chinese black tea and flavoured with bergamot oil as well as blue cornflowers.

FORMAL RANGE CHARDONNAY TASTING

Atlas Swift Chardonnay Wine of Origin Cederberg

Citrus blossom, lime essence, and chamomile tea aromas. Extremely linear and composed, with a crisp yet integrated acidity, subtle oak notes, and lemon curd aromas on the finish. A wine that exemplifies its cool climate origins.

R 399 / 750ml bottle
R 2 394 / per case of 6

Atlas Swift Chardonnay Wine of Origin Cape South Coast

Lime, salinity, oyster shell, and fresh lime aromas abound. The wine is crisp and vivacious, with a distinct minerality and a saline aftertaste, reflecting its terroir and the proximity of the vineyards to the ocean.

R 2 394 / per case of 6

Atlas Swift Chardonnay Wine of Origin Franschoek

Extremely aromatic, with peach, apricot, nectarines, and orange blossom aromas. Contrary to the orange fruit fragrances, the palate displays green pineapple flavours and a gratifying length with a slightly oily texture.

Layered with aromas of luscious tropical fruits and a delicate equilibrium between fruit, oak, and acidity. This wine's succulent peach flavours are accentuated by an almond-like aftertaste, making it the ideal complement to a wide variety of foods.

Atlas Swift Chardonnay Wine of Origin Robertson

Peach and apricot aromas are supported by notes of limestone and buttery pastries. The palate is scumpuously creamy and refined, with a rounded texture that is wonderfully balanced by a crisp acidity and a flinty aftertaste.

INFORMAL RANGE SHELTER TASTING

Shelter Chardonnay

Upright aromas of ripe citrus, burnt orange and lemon curd. Salty flavours of grapefruit and hazelnuts on the palate, with a bright acidity to complement the creamy vanilla flavours. Flavours of freshly baked brioche and yeasty notes on the lengthy finish.

R 253 / 750ml bottle
R 1 518 / per case of 6

Shelter Tempranillo

Spain's top variety is thriving in areas with Mediterranean climates. Aromas of black cherry, dried fig, cocoa, tar, cedarwood, and hints of dill and onion. The wine offers firm tannins that give structure and length.

R 288 / 750ml bottle
R 1 728 / per case of 6

Shelter Cabernet Sauvignon

The wine shows a bright red colour with a deep black core. An opulent aroma of black fruit — cassis, blackcurrant and black cherries. The wine is medium-bodied with soft and silky tannins, leading to a broad and coating mouthfeel.

R 1 728 / per case of 6

Shelter Red (Merlot, Cabernet Franc, Cabernet Sauvignon and Malbec)

Aromatic scents of blueberries, red currants, cassis and balsamic vinegar, supported by undertones of purple basil, graphite and black pepper. The alcohol is in balance with a core of intense black fruits, while the tannins are gippy yet ripe and supple. Approachable in its youth due to the larger Merlot component. The acidity adds freshness to the fruit, and the black pepper adds depth to the long finish, akin to a classic Saint-Émilion red.
